

STEP 1: Logging In

First, let's log in. Open your web browser and go to www.myselcedu.com . Enter your username and password, provided by the college during enrollment. Make sure to keep your credentials safe and confidential.

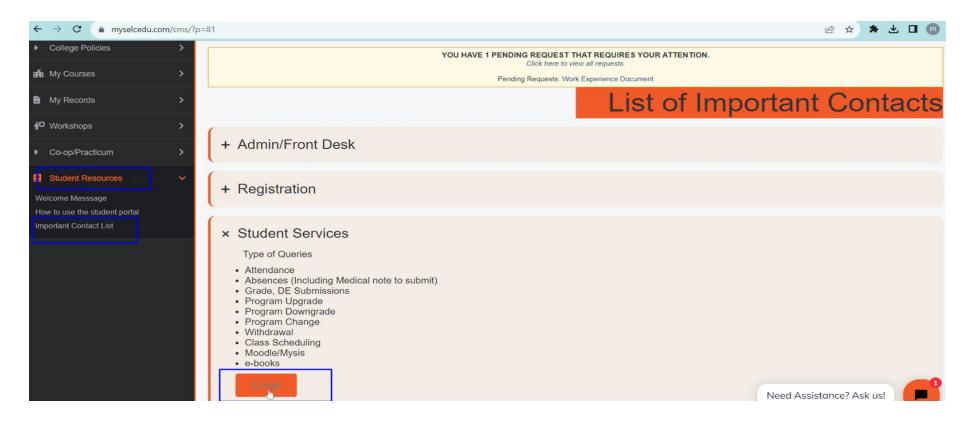

STEP 2: Dashboard Overview

Once logged in, you'll arrive at the Student Portal home page. This is your central hub for all things related to your academic life. Here, you can access all information, view announcements, check your grades, and much more. Don't forget to check here regularly to stay up to date with class changes, important dates, and university news.

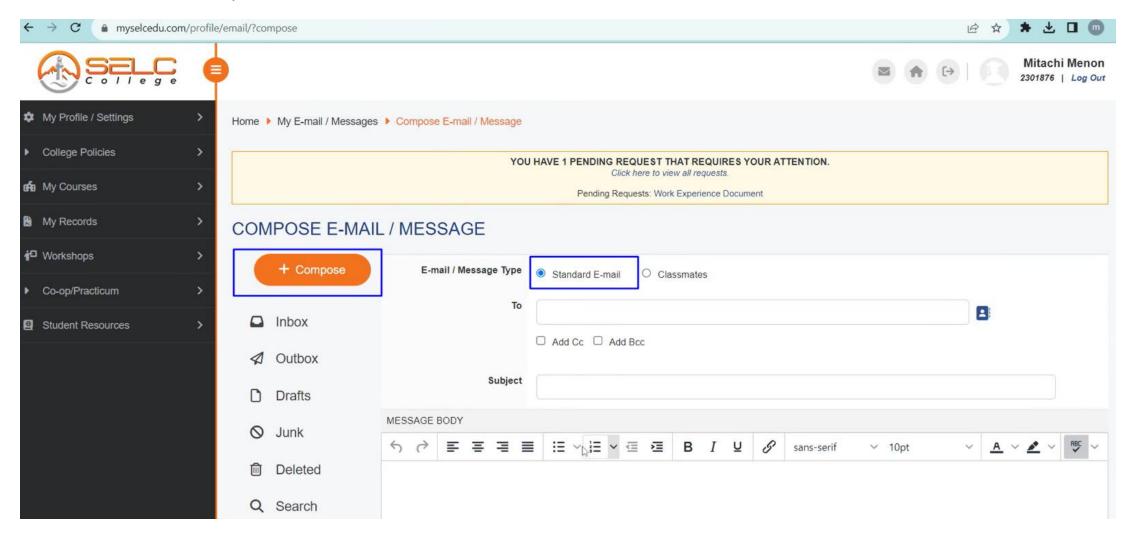

STEP 3: Student Resources

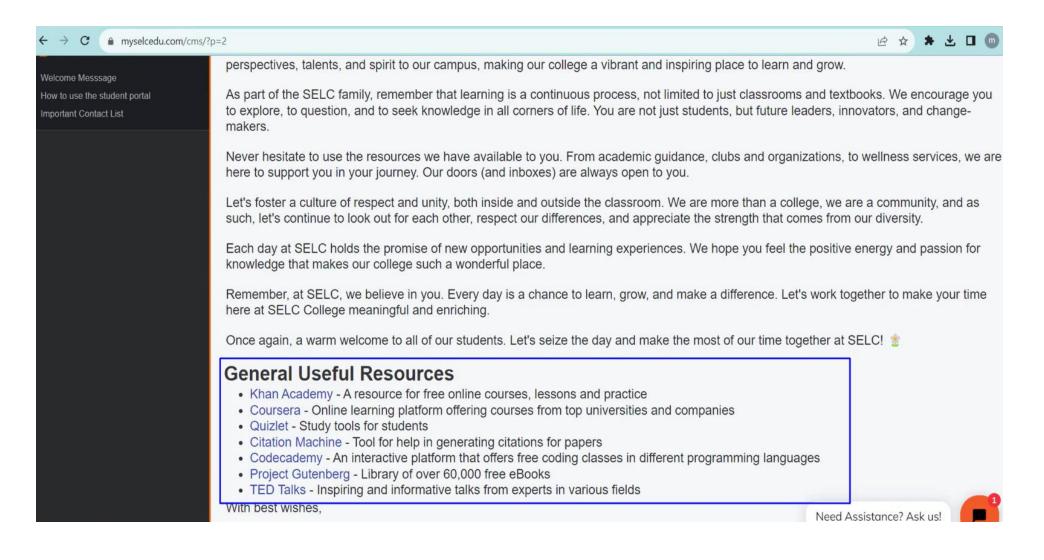

Let's explore the "Student Resources" section. You can see the Welcome page, how to use portal and important contact list. Important contact list is the most important section in your portal. It is helpful in connecting with every department you need in your academic journey. For example, if you want to connect with student services, click on the link and you will lead to the email section to write an email.

You can click on compose section to write a standard email.

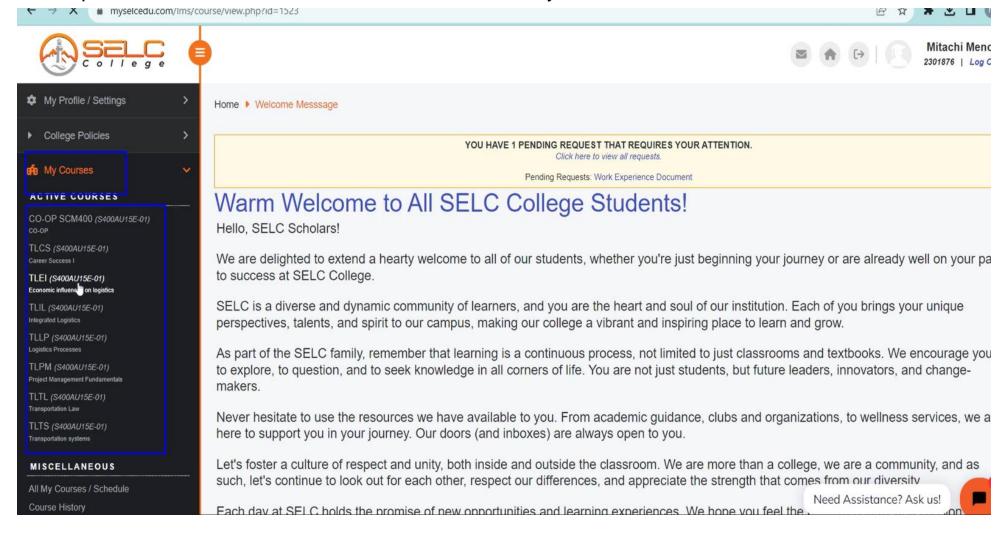

In Welcome page you can find the useful link to get access to learn new skill for your courses and communication skill.

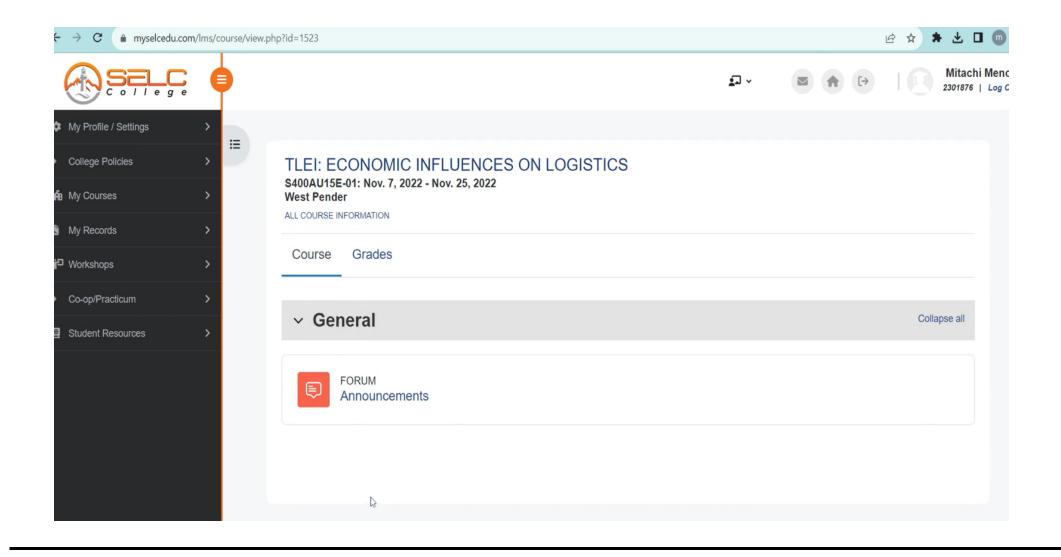

STEP 4: Courses Section

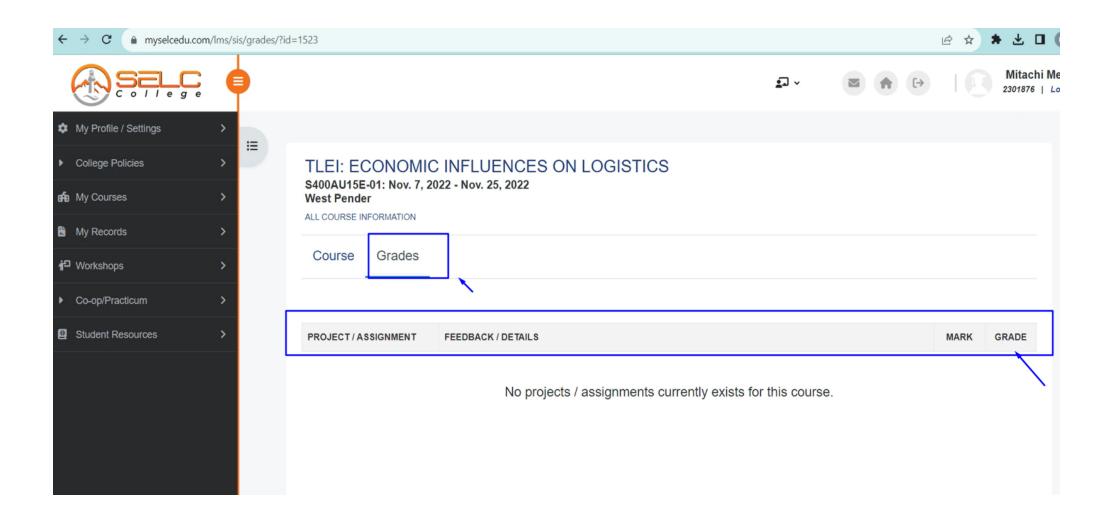

Let's explore the "Courses" section. You can see a list of your enrolled courses.

Click on a current course, will help you to access materials, syllabus, and assignments.

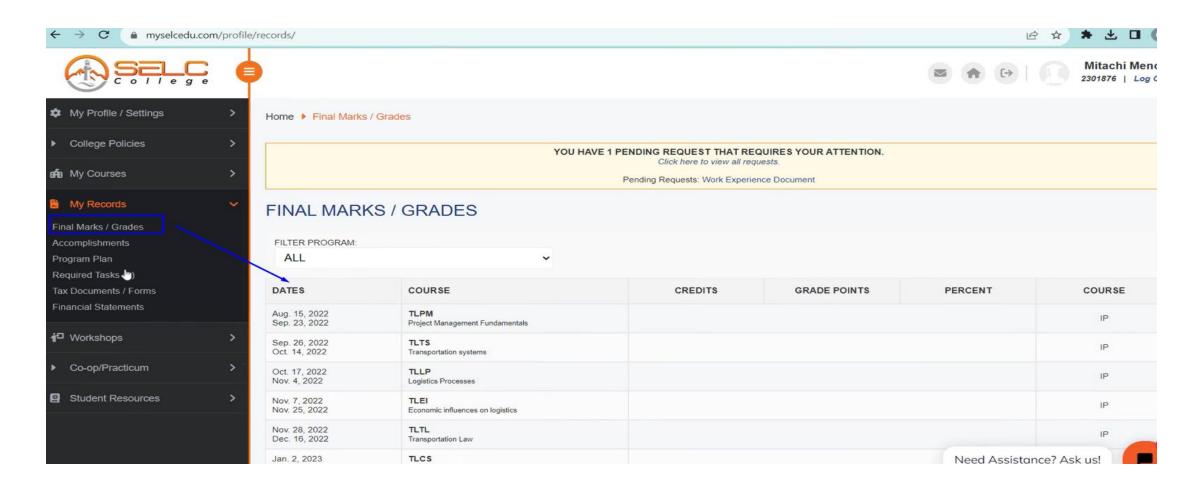

And "Grades." Next course will help you get access for grades for quizzes, assignments and for your attendance.

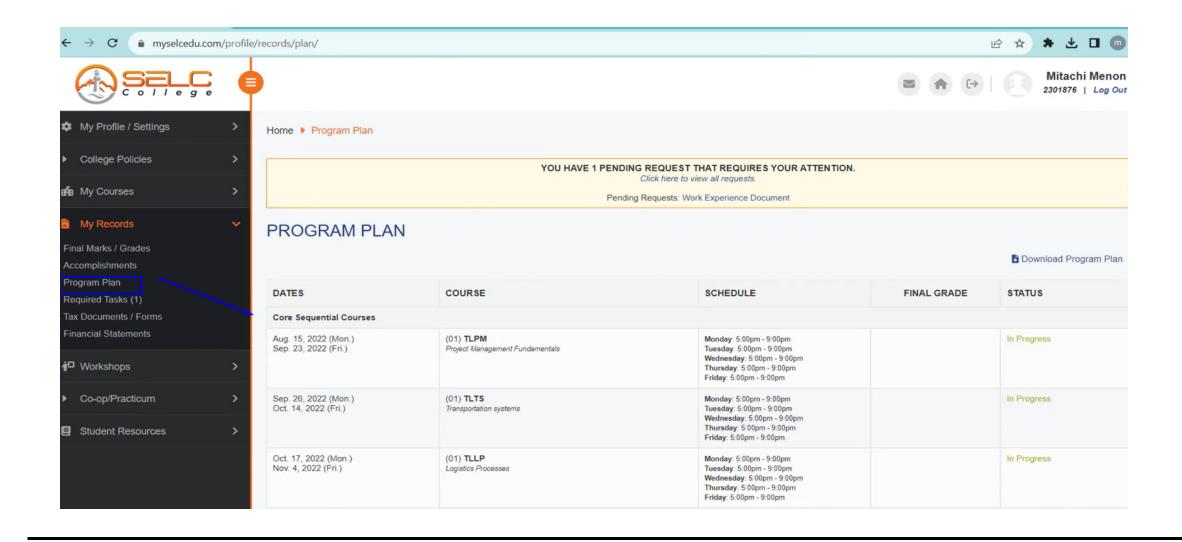

SCENE 5: Click on My Records

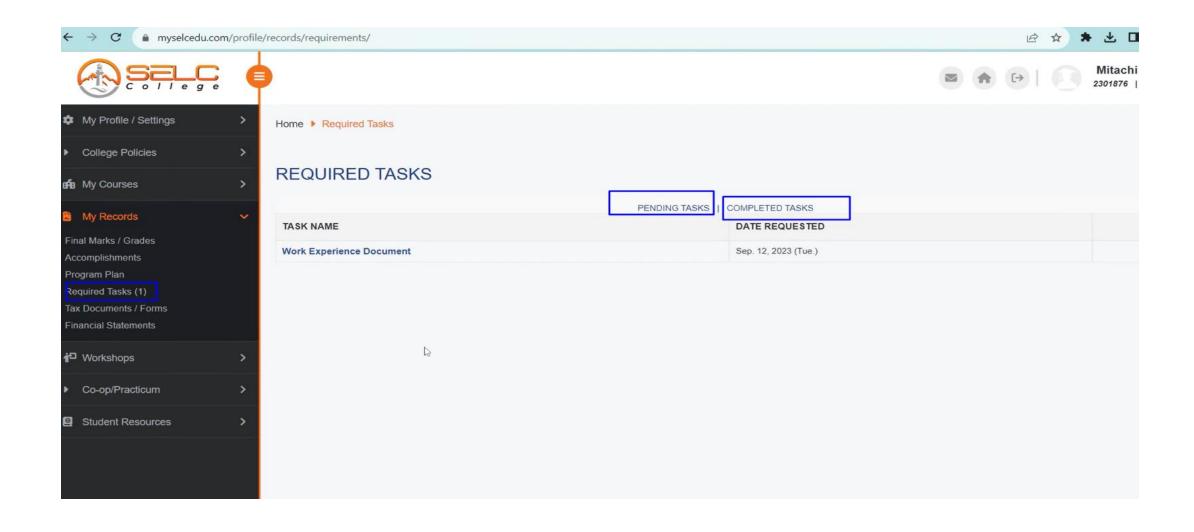

In the Grades section, you can review your performance and track your GPA throughout the semester.

You can check your program plan in this section too and see the program you are enrolled in.

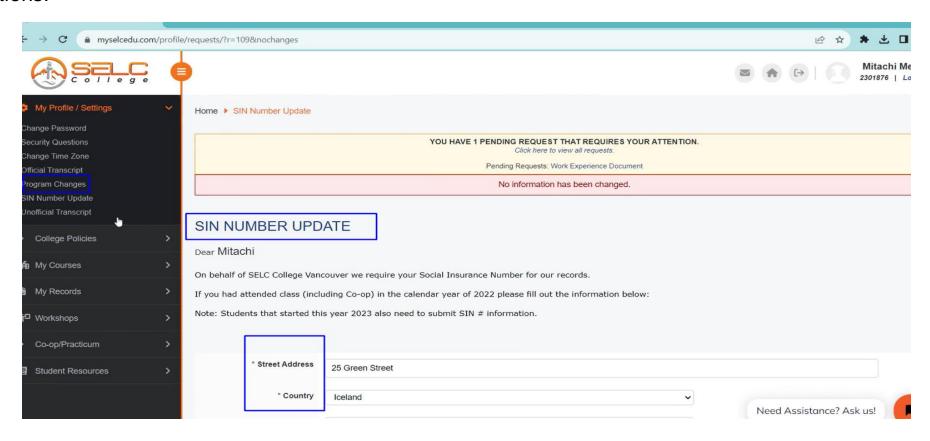

In addition to this you can see the Required Tasks section where you can see the pending documents you need to upload.

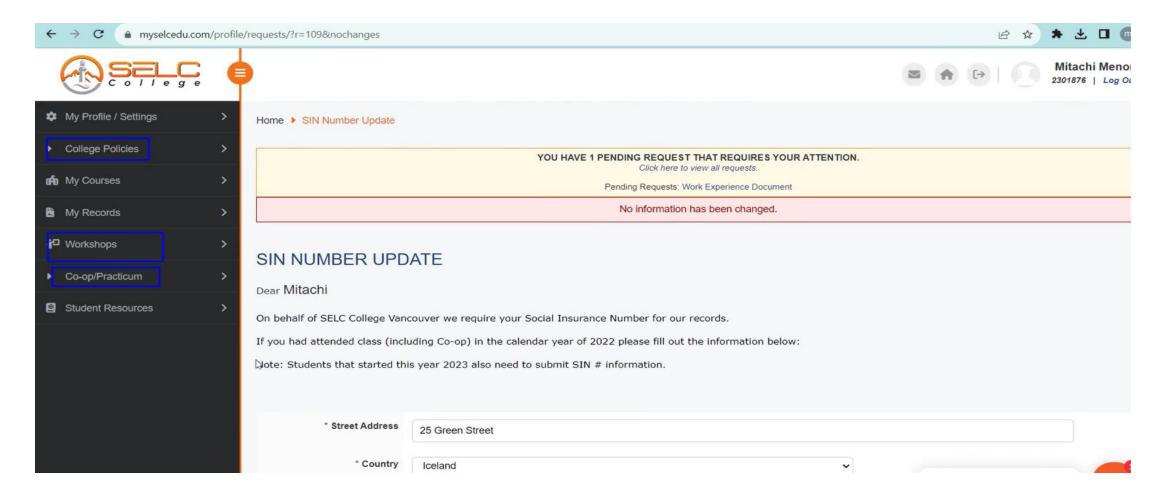

STEP 6: Profile and Personalization

Personalize your Student Portal experience by visiting the "Profile" section. Here, you can update your contact information and set notification preferences. Make sure your email and phone number are correct, so you don't miss any crucial notifications.

STEP 7 "In a similar way, you can navigate through the various menus on the left side and utilize them as needed in a similar manner."

And that's it! You're now ready to navigate your Student Portal effectively.

If you have any questions or encounter any issues, don't hesitate to reach out to the IT support team. Your academic success is our priority.
